

P100.over porte scorrevoli

Custom-made complete aluminium and glass finishing sliding doors' system in two versions:

- _wall fixing
- _ceiling fixing

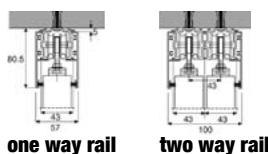

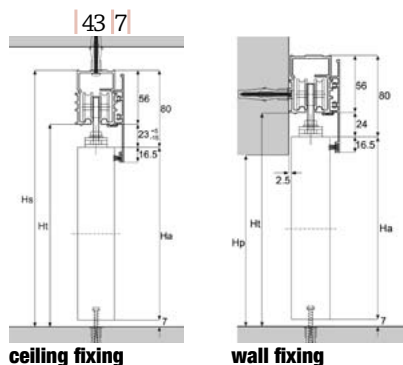

wall and ceiling version is realized with LIGHT multiple sliding rails with cover profile or MAXI bar version with 1 or 2 sliding rails

_suspending version with side anchorage, especially suitable for existing false ceilings or very high ceilings
is realized only with MAXI self-supporting bar with double rail, that allows a 30mm adjustment of door's height

Ante in alluminio con profilo/doors with frame:

- _square
- _sagomato/shaped
